

KARATE

Dear Every one,

I am Jacob Briggs. Every since I took Karate I have felt safer at school. Also when someone goes to beat me up I can defend myself. I also like that if there is time at the end of class we get to play a game. But if there isn't time at least we learned something new. Also if someone tries to beat me up I can use their own strength against them. I also like that in a fight I can come out without any broken bones.

I LIKE KARATE
